

nail-scarred hands and feet for your sins. He is the only way to God and your only hope.

*“For there is ONE God, and ONE mediator between God and men, the man Christ Jesus.”*

*1 Timothy 2:5*

The Son of God died and rose again to take away all your sins. He was the only One qualified for the job, and He is the only One worthy of your worship. Peace with God happens when we meet the Prince of Peace.

*Now apply His holy blood to your life so that you may live now and eternally with Him. You must completely turn your life over to the LORD, turning wholeheartedly to Him, in true repentance. Now, pray this prayer to God with all that is within you, from your heart and out loud: “Dear Lord Jesus, thank You for shedding Your precious blood for my sins to save me from separation, eternal damnation in hell. You are my only hope. Heavenly Father, I acknowledge all of my sins against You right now, and ask Your forgiveness through the precious blood of Jesus, who died and rose again from the dead. Lord Jesus, please take over my life right now and forevermore. I love You LORD Jesus. Amen.”*

JESUS

**Why did this man  
die on a cross?**

The most astounding event of human history occurred when this man, Jesus Christ, died on a Roman cross. When He died, an untimely darkness covered the land at 3 p.m., and an earthquake occurred as He took His final breath. This man called Jesus was crucified. Three days later He was raised from the dead! Here's why He died:

***“But your iniquities (sins) have separated between you and your God, and your sins have hid his face from you, that he will not hear.” Isaiah 59:2***

God is holy and our sins separate us from Him. We have all broken God's laws by lying, dishonoring our parents, cheating, hating, committing a sex act in our mind with someone we are not married to, stealing, coveting, taking His holy name in vain, etc. These are all sins against God, and we are all guilty. Committing any single one of these sins makes us guilty of breaking the whole law and worthy of death.

Divine justice demands that our violations be punished. Because we are guilty of breaking God's holy law, we deserve to be fairly repaid for our offenses. God doesn't want us to be punished in Hell forever though, so He sent His Son to pay the debt for us, so we would not have to pay for our own sins in eternal Hell as we clearly deserve, but rather live now and forever with Him. What love!

At the end of a perfect (sinless) life, Christ carried the very cross He was to be nailed to. His infinite love for you, along with the nails driven through His hands and feet, held Him to that cross as He agonized for six hours in pain – to pay for our sins. He was crucified

to make peace between God and man. The Son of God bridged the gap that sin had caused. This wonderful man named Jesus, chose to shed His life blood (die – in excruciating pain) for you rather than live without you. He loves you.

***“For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.”***  
***Romans 6:23***

Christ died to fully pay for the sins of the human race (John 19:30). God loves us and wants us to experience relationship with Him, now and forever (John 17:3). Friend, who else has ever died for you but Jesus, the Good Shepherd?

***“For when we were yet without strength, in due time Christ died for the ungodly (that's you).”***  
***Romans 5:6***

***“Christ Jesus came into the world to save (rescue) sinners.” 1 Timothy 1:15***

No religion or religious figure can save your soul from Hell (no matter what they claim). Jesus didn't come to start a religion but rather to establish His eternal kingdom in the hearts of men, granting them a relationship with God. Jesus Christ is the only One who bears
